## Minutes

---

**Agenda item:** Review progress on action items from previous meeting      **Presenter:** All (Everyone took turns)

### Discussion:

Everyone went over what they researched for their given topics.

### Conclusions:

Making sure that everyone is progressing

Action items	Person responsible	Deadline
• Intro and Background on Threats	Barr Beneli	Next Week Meeting
• Current Dangers Hospital Can Face	Demetris Perdikos	Next Week Meeting
• Future Modes of Attacks on Hospital	Anand Patel	Next Week Meeting
• How to prevent current and future attacks, Johnny Yu, Next Week Meeting		

---

**Agenda item:** Brainstorming how these topics connect      **Presenter:** Anand

### Discussion:

We discussed how our different topics can be connected as a whole. We also looked into making it in a way that we can have smooth transition when we are changing these topics.

### Conclusions:

Thus, we tried having a main theme/idea behind all these topics.

Action items	Person responsible	Deadline
✓ Intro to Current Dangers transition	Barr and Demetris	4/18
✓ Current and Future attacks transition	Demetris and Anand	4/18
✓ Future and prevention transition	Anand and Johnny	4/18
